

A WALK IN THE WOODS:

Kate Kennard Trail

With naturalists Beth Herr and John Mickel

Saturday, September 29 (rain or shine)

10:00 – 11:00 AM

Explore this trail that runs alongside Rosecliff and learn what plants, animals and birds are preserved there.

Beth Herr, an experienced naturalist and Program Administrator for the Westchester Parks Department, will guide us through this permanent public easement.

Briarcliff resident John Mickel, Fern Curator Emeritus for the New York Botanical Garden, will discuss the ferns we find there.

Kate Kennard Trail is located on Long Hill Road West near Aspinwall Road intersection and Rosecliff entrance.

Meet at trail sign on Long Hill Road West.
Park on west side of Aspinwall.
