

Service Changes

To Our Scarborough Station Customers

Effective July 27, 2009

To accommodate platform work being done as part of our Hudson Line Stations Rehabilitation Project, the following service changes will be in effect for approximately one year:

Track Change:

All trains (in both directions) will operate on the new Track 4 (southbound) platform, except northbound (to Croton-Harmon) weekday trains operating between 10 AM and 3:30 PM which will use the temporary Track 3 platform. (Bridge plates are used at this platform—please watch your step while boarding or detrain.)

To Scarborough (In the Morning):

● There will be no northbound service from NYC/ Lower Westchester to Scarborough on trains departing Grand Central between 5:30 AM and 8:30 AM.

During this period, customers can consider the following alternatives:

-For the 6:20 AM, 7:20 AM and 8:20 AM trains from Grand Central, take the train to Tarrytown and transfer to shuttle bus service to Scarborough.

-There will be no bus service for the 5:45 AM, 6:50 AM, and 7:44 AM trains from Grand Central. Customers on these trains should go to Ossining (at no extra charge) and transfer to southbound trains to Scarborough.

From Scarborough (In the Morning):

● All southbound trains (to Grand Central) will operate on Track 4 (southbound platform).

● There will be no northbound service from Scarborough to Croton-Harmon/Poughkeepsie between 6:30 AM and 9:30 AM.

During this period, customers can consider the following alternatives:

-Take the shuttle buses departing Scarborough at 7:35 AM, 8:35 AM and 9:38 AM to Ossining and transfer to a northbound train.

-Take a southbound train from Scarborough to Tarrytown (at no extra charge) to transfer to a northbound train to Croton-Harmon/Poughkeepsie.

From Scarborough (In the Evening):

● There will be no southbound train service (to Lower Westchester, The Bronx or Grand Central) at Scarborough between 5 PM and 9 PM.

During this period, customers can consider the following alternatives:

-Shuttle bus service will operate between Scarborough and Tarrytown at 4:42 PM, 5:42 PM, 6:42 PM, and 7:42 PM. Customers can transfer to local southbound train service at Tarrytown.

- Take a northbound train to Ossining (at no extra charge) and transfer to a southbound train.

-From Poughkeepsie and Croton-Harmon to Scarborough, take a train to Tarrytown (at no extra charge) and transfer to northbound trains to Scarborough.

Please listen carefully to station PA announcements for any last-minute track changes.

Alternate bus service can be found in the July 13th schedule, available at www.mta.info.

We appreciate your patience during this station improvement project.

MEMORANDUM

Dear Scarborough Station Permit Holders,

The Village would like to share with you MTA changes to occur at the Scarborough Train Station. These changes will be put into effect Monday, July 27, 2009.

Please note the service changes listed on the backside of this letter will remain in effect for approximately one year.

Thank You!

Mayor & Board of Trustees

By: Philip E. Zegarelli, Village Manager
